DETAILED ACTION

The Supplemental Reissue Declaration Under 37 C.F.R. 1.132, submitted August 9, 2005, would not be sufficient to overcome the rejection of 10 May 2005, because the first sentence of the Supplemental Reissue Declaration refers to the originally-filed Reissue Declaration by the wrong date. The original Reissue Declaration was filed June 27, 2001 (and not June 20, 2001 as stated in the Supplemental Reissue Declaration of August 9, 2005). The Supplemental Reissue Declaration of 9 August 2005 does not therefore properly supplement the Reissue Declaration of June 27, 2001.

The rejection of the Office action of 10 May 2005 is repeated below. See that Office action for the complete explanation.

The reissue oath/declaration filed with this application is defective under 37 C.F.R. 1.175 because the statement that the person making the oath or declaration believes the named inventor or inventor to be the original *and first* inventor or inventors of the subject matter which is claimed and for which a patent is sought.

Claims 1-22 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above.
